

*May 2022*

Hello FMS Staff,

Spring has sprung! We hope you have been enjoying the nice weather and apologize for the delay in the news. First order of business as always, Hero of the Month! We would like to thank and congratulate Peggy G. on being our hero of the month for the second time. During the month of March, she went above and beyond not only for us but more importantly for her client so much so that we just could not let this month go by without recognizing her work. Her passion for direct care never ceases to amaze us. Thank you, Peggy! We are so proud to have you on staff! Next, we would like to welcome two newcomers to the FMS team. Welcome Jada D. and Cathy F.! We are so excited to have these lovely ladies on staff.

Jeslyn was out of town from the 05/04- 05/10. We are asking for your patience during this time in terms of phone calls etc. while she catches up on work this week. The CPR/FA training dates for the month of May are as follows: Tuesday 05/10, Thursday 05/19, and Tuesday 05/23. This is a reminder to all staff that this training will come at no cost to you and take place at 10am at our Hall rd. location. CPR certifications must be updated every two years. If you are in need of an update, please contact Shelby at the office to schedule a training.

As always, we are always hiring! If you know someone who would like to make an impact on the lives of others in the community, please refer them to us! We have plenty of cases that need coverage. Thank you all so much for your hard work, especially with having your paperwork in this month. It has been the most consistent month yet! We are so proud to have you all on our team and wishing you all a happy spring!

Sincerely,

Shelby, Jeslyn, & Mickie
